stills are made of iron, and resemble

huge steam boilers. The crude oil first

passes through these, where it is sepa-

ORGANIC WEAKNESS

Immediately cured and full Vigor Restored.

This distressing affection—which renders life and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too ant to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than, by the prudent? Besides being deprived of the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the Physical and Mental Functions deranged, the Physical and Mental Functions deranged, the System Constitutional Debility a Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS. No Mercury or Nauscous Drugs! DR. JOHNSTON,

Office, No. 7 South Frederick Street,

Member of the Royal College of Surgeons' London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known: many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately. derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, untiting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Back in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Back in the Head, Dimness of Sight, Loss of Memory Consumption, &c.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emicated, having a singular appearance about the eyes, cough and symptoms of consumption.

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone berliend him, delaying till the constitutional symptoms of ans horrid disease make their appearance, such as ulcerated sore though the sense of the sense of sight, deafness, nodes on the shin-bones and arms, blotches on the shin-bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration, until death puts a period to his dreadful sufferings, by sending him to "that undiscovered country from whence no traveler reducered country from whence no traveler reducered." It is a welancholy fact, that thousands fal victims to this terrible disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that deadly polson, Mercury, min the constitution, and make the residue of life miserable,
